

Welcome
to
Lincolnwood Library

Welcome to the Lincolnwood Library. Beyond quality content, top-notch services, and engaging programs, you also get expert, personal service you won't find anywhere else. Your Lincolnwood Library card unlocks:

- Access to over 6 million physical and digital items including movies, music, video games, newspapers, magazines, eBooks, audiobooks, and, of course, books.
- First dibs to hundreds of programs every year for audiences of all ages. Topics include computer and technology training, storytimes, crafting, skill building, film screening, book discussions, demonstrations, and concerts.
- Unlimited lifelong learning with access to online resources, including Lynda.com, Consumer Reports, Morningstar, and Ancestry.com.
- Access to our state of the art Digital Media Lab, stocked with design, recording, editing, and digitization software and equipment.

Our Mission:

Foster lifelong learning and connect the community through our materials, space, events, and expertise.

Our Vision:

Empower, inspire, connect.

For more information

Please stop by, call us at (847) 677-5277, or visit lincolnwoodlibrary.org for more details on the services and resources mentioned in this booklet.

Digital Media Lab

Explore your creativity and preserve memories with equipment and software for video, audio, and design projects.

- Convert VHS or 8mm home movies to digital or DVD format
- Convert vinyl records and audio cassettes to digital format
- Design, animate, produce, and record projects
- Scan and/or edit photos and slides

Learn popular design programs like InDesign, Photoshop, and Illustrator at your own pace using the Media Lab's library of books or by accessing Lynda.com's training modules.

Study and Meeting Rooms

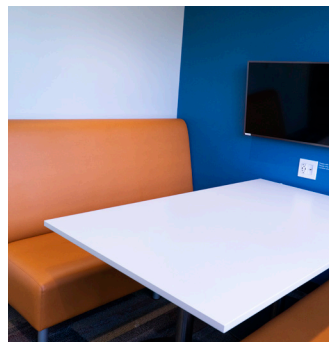

Three study rooms are available for private, quiet study or small meeting space. Our large meeting rooms are available for non-profit community groups to reserve.

Café

Warm up by the fireplace with a favorite book or page through your favorite magazine while sipping on hot chocolate or coffee.

Tour the building

Visit us for a personal tour or visit our Instagram account @lincolnwoodlibrary for a virtual tour.

Books, movies, music, and video games

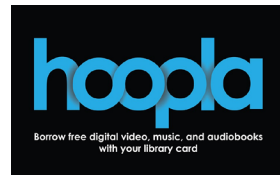

Browse fiction and non-fiction titles from popular authors, learn more about your hobbies and interests, or research a project or class assignment. Enjoy thousands of new and classic movies, CDs, and video games for all audiences.

Can't find something?

If you're looking for an item we don't have in our catalog, stop by or call Information Services at (224) 233-1841, and we'll help locate them in our system of 26 libraries.

eMedia

Download or stream movies, music, eBooks, Audiobooks, and digital magazines directly to your eReader or other device. Use your library card number to access these and other services:

Hot Picks

Reserved exclusively for Lincolnwood residents, our Hot Picks section showcases the most in-demand titles in the library across multiple age groups and formats.

Library of Things

Take photos and videos with a GoPro, binge watch a favorite Hulu or Netflix show using a Roku Express+, or ditch the Ethernet cables with a WiFi hotspot.

Computers and Free WiFi

Computers and WiFi are available throughout the library. Laptops are available for in-library use by Lincolnwood Library cardholders at the Information Services Desk.

**Enjoy \$15
of free
printing
per year.**

Printing, scanning, and faxing

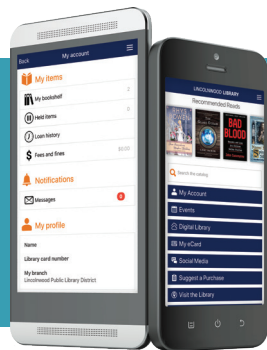

Whether you don't have the equipment at home or you've run out of supplies, we have you covered.

Black & White prints/copies: 15¢/page
Color prints/copies: 55¢/page

Scanning: Free
Faxing: Free

Tech One-on-Ones

Book an hour long one-on-one session with a librarian for help on basic technology topics. To schedule an appointment, contact Information Services at (224) 233-1841.

The Lincolnwood Library app

Take the Lincolnwood Library with you anywhere you go. Renew items, manage your account, search the catalog, access digital content, and find library events.

Our mission to “foster lifelong learning” inspires us to find the very best resources and empowers you to use them.

Lifelong Learning

Lynda.com: Learn the latest software, business, and creative skills through high-quality instructional videos taught by recognized industry experts.

Pronunciator: This language learning system teaches practical conversation skills for a wide variety of popular languages.

Books and Literature

Novelist: A comprehensive collection of information about books including recommendations, reviews, articles, lists, and more.

Tumblebooks: Explore hundreds of picture books, puzzles, and games from any computer, tablet or mobile device.

Genealogy

Ancestry.com: The world’s largest online family history resource offers instant access to historical documents and photos from all over the world. *in-library use only*

Historical Collection: Examine our community’s past with the library’s historical photos.

Chicago Tribune Archives: Images of the original editions, including photographs, advertisements, and cartoons.

Business and Consumers

Reference USA: Search U.S. or Canadian businesses by industry, location, or size, then view detailed company information.

Morningstar: Real-time access to comprehensive data and independent analysis on thousands of investments.

Consumer Reports: Research purchases with ratings, reviews, and recommendations from the nonprofit product-testing organization established in 1936.

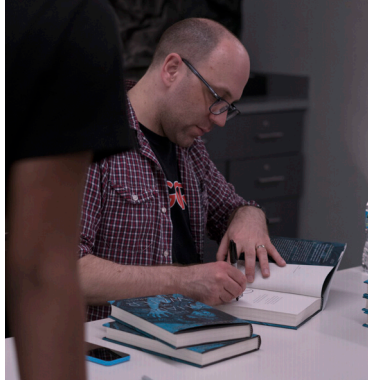

Students and Homework Help

Bookflix: Keep children in preschool through second grade busy and learning with this collection of interactive books.

Encyclopedia Britannica: This up-to-date resource offers age-appropriate information for student research.

For information on these and other resources, please visit lincolnwoodlibrary.org and click on the Research & Learning tab.

Everyone is welcome at the library. We have programs that will **empower** lifelong learning, **inspire** creativity, and **connect** the community.

For information on upcoming programs, please visit lincolnwoodlibrary.org and click on the **Events** tab or stop in today for a newsletter and program calendar.
